

# USB key max

Hi-Speed USB 2.0

## Credit Card-Sized Storage With Maximized Capacity

### Ultra-Compact

Carry tons of files, photos, songs and even video in a hard disk that's made to fit in the palm of your hand. The LaCie USB Key Max is very convenient for transporting data thanks to its rugged metal design and super-thin, lightweight form. Easily back up and store up to 40GB of files on this credit card-sized device.

### Backup & Sync Software

Bring your important data with you safely thanks to the bundled LaCieSync: Synchronization & Encryption Software (Windows). Just plug the USB Key Max into any PC to access and modify files, emails (Outlook) or browser settings and it will sync your updated data back to your office or home computer - protected by AES 128-bit encryption. LaCie '1-Click' Backup Software (Mac & Windows) and SilverKeeper Backup Software (Mac) are also included.

### Fully Portable

This completely mobile hard disk is USB 2.0-powered so no power-supply, adapter or power-sharing cables are needed. The integrated USB 2.0 cable pulls out and tucks back in so it can never be lost. An optional extension cable is included for configurations that require a longer cable. Compatible with Windows®, Mac® and Linux, this cross-platform hard disk is great for transferring and exchanging files on the road.

### Easy To Install & Use

With simple 1-step installation, the LaCie USB Key Max couldn't be easier to use. It's conveniently driver-free and plug & play. Just plug the integrated USB 2.0 cable into any computer running on Windows 2000, Windows XP, Windows Vista or Mac OS X 10.2 or higher with a USB port to instantly save and retrieve your files.

- The highest storage capacity for its minimal size
